

Guiding Questions when Developing or Revising a **DISCIPLINE PLAN**

1

What do we value and believe about the way people should treat one another?

2

What are the rights and responsibilities of everyone in this learning community?

3

How do we gather data about the core values of our school community?

4

What do we know about facilitating productive behavior?

5

How does our behavior affect our students?

6

What do students need to behave productively?
